

# Objectives and Work Products

**CAMP Committee**

August 15, 2016

# Committee Objectives

- Provide feedback to City staff on proposed infrastructure management strategies and priorities
- Assist in fostering an open dialogue with the community and City staff regarding infrastructure challenges and solutions
- Brainstorm ideas and solutions for infrastructure challenges presented by City staff
- Not to author the program
- Not to make decisions on program implementation

# Work Products

- Authorship of all work products remains a staff responsibility
- Review and Discuss:
  - Building Replacement Criteria (Sept/Oct)
  - Pavement Management Program Recommendations (Sept/Oct)
  - Sidewalk Program Recommendations (Oct)
  - Future Development Standards (Oct / 2017)
  - Program Recommendations for all other Asset Types (2017)
  - Prioritization Schemes within Asset Types (2017)
  - Prioritization Schemes between Asset Types (2017)
  - Funding Mechanisms for Shortfall (2017)
  - Divestment Strategies (2017)
- All dates are tentative, and the schedule is subject to change
